

**Why are Marcel's Cremations prices much lower than Funeral Homes?**

*Traditional funeral home pricing is regularly multiplied many times above the actual cost. At Marcel's Cremations, we believe in a fair and more equitable pricing structure.*

**Do Social Security and Veterans Administration provide any death benefits?**

*Yes. You can read about them in our Social Security and Veterans benefits pages.*

**Is cremation socially acceptable?**

*Most certainly. Cremation is quickly becoming the preferred choice of many families. It offers a cost effective alternative to the costly funeral and it allows for a more personalized way to pay last respects.*

**Will Marcel's Cremations help me plan my loved one's memorial service?**

*We do not arrange formal services. However, based on our experience, we will be happy to provide advice and suggestions to assist you in the planning of your own memorial service.*

**What happens if my loved one is an organ donor?**

*Any coordination with tissue banks is generally done at the hospital level as time is of the essence.*

**Can I witness the cremation?**

*Yes. Our crematory provides a witness room available to family members and loved ones.*
