PRICE LIST

We are required by law to publish a price list that follows a predetermined format. While this list meets all Federal and State Laws, it is long and could be confusing to read. In an effort to keep our promise of simple pricing, following are the six basic services we offer:

- **\$450.00 Simple Cremation** (includes transportation)
- **\$485.00 Economy Plus with Keepsake Urn**
- **\$550.00 Cremation Plus Standard Urn**
- **\$650.00 Standard Package with Standard Urn & Keepsake Urn**
- **\$700.00 Scattering Of Cremains at Sea**
- **\$200.00 for Infant from 0 - 5 years old**
- **Oversized is extra charge**
- **Charge for Death Certificate is extra**

That's it. Simple and straight forward. No surprises and most certainly, no high-pressure sales tactics like those employed by some funeral homes. It is important to note, however, that no two cases are alike. Please take the time to read our price as mandated by the State Of Florida. This list includes any additional charges you might incur because of your location or personal preferences.

GENERAL PRICE LIST: Revised June 21, 2010

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, the simple cremation arrangements you select will include a charge for our basic services and overhead. If legal or other requirements require that you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the goods and services you selected.

Simple cremation is the disposition of the body by cremation, without embalming, formal viewing or other ceremony. It is a simple and dignified alternative to the costly traditional funeral. Our fee includes:
